Building Administrators Change Hats

Phil Short, Supervisor of Curriculum

Mr. Phil Short, former Assistant Principal at Woodhaven High School, recently transitioned to Central Office filling the vacancy from a newly created position - Curriculum Supervisor.

Short comes to Central Office from Woodhaven High School where he served as an Assistant Principal. His main focus was on student attendance. In addition to his many administrative duties, Short also facilitated the Maple Grove Alternative Education program while working alongside other building administrators executing the day-to-day operations of the high school. Heather Fondaw, WHS Asst. Principal

Ms. Heather Fondaw, former Assistant Principal at Patrick Henry Middle School, recently transitioned to Woodhaven High School filling the vacancy created by Mr. Phil Short's move to Central Office.

Fondaw served as Assistant Principal at PHMS since the 2019/20 school year. As Assistant Principal, Fondaw's focus was on "taking care of the hearts and minds of staff and students by growing their voices so they could see how valuable they truly are." "My time at PHMS will also hold a special place in my heart as it has built a strong foundation for the next step in my journey."

In addition to her many administrative duties, Fondaw now facilitates the Maple Grove Alternative Education program. On the Maple Grove program, Fondaw shared that she's "proud to be part of a district that provides this beacon of hope to students who benefit from a nontraditional path to a high school diploma." "Maple Grove provides the space to have life's stories heard, guidance to create plans for success, and resources to support the journey to make the 'mess' the message of hope for their future."

When asked about the transition to WHS, Fondaw commented, "I look forward to building bridges between PHMS and WHS that will support the reconfiguration by highlighting the strengths of individuals, PLCs, clubs and programs, as we move into the future as one 9-12 building.

Ms. Fondaw is a welcome addition to WHS!

WBSD Goes on a Hiring Blitz

At the conclusion of the 2021/22 school year, the WBSD had 51 open teaching positions that needed filling prior to the start of the 2022/23 school year. Over the course of the summer months, Central Office administrators, building administrators and WBEA team members took part in a hiring marathon. Over 204 interviews were conducted, and slowly those 51 vacancies were filled. It was a huge task, but the HR Department got the job done.

Please join the district in welcoming all our new staff members!
