Important!

Change in Traffic Flow

September 21, 2021

Dear Wegienka Families,

Starting Monday, September 27th, Wegienka families who drive their child to school, will be directed to **enter the campus from Arsenal Road** to drop off and pick up students, due to the increased number of car riders.

The Arsenal Road entry into the Wegienka campus will flow in one direction, with vehicles forming one lane along the curb for drop off and pick up. New signage will be posted to reflect the revised traffic pattern. Please continue to pull all the way up to the fire hydrant by the basketball court and not leave spaces between vehicles. Your child should be ready at arrival to immediately hop out of the vehicle, **curb side only** and walk on the other side of the yellow line into the building. We will continue to have all adults remain in vehicles and staff will assist students.

This information will be emailed to parents on Tuesday and Thursday of this week. Wednesday we will send home a hard copy of the letter in backpacks and do a final email reminder on Friday and Monday morning.

School buses will now enter and exit off Timber Creek.

Additional school staff will be posted at Wegienka starting Monday to direct parents through the new traffic pattern.

The visitor parking area, off Timber Creek, will remain in its current location. This area is open to our school community before the day begins (7:30 a.m. – 8:15 a.m. / 8:50-3:15 p.m./ 3:45-4:00 p.m.) *As you can see during our arrival and dismissal times, this area is **CLOSED** for the safe arrival and departure of our students on a bus.

OVER

Traffic Change

September 21, 2021

Students who walk to/from school with a parent. In the morning, please continue to do what you have been doing and you will remain entering in the SAME doors as you have been. You will enter with the bus riders now. At dismissal, please walk to the Arsenal side of the building via the playground (**not** by the front door bus lines) to get your child.

If you have any questions or concerns, please feel free to reach out to me. This new traffic pattern will be re-evaluated as this is a trial to help traffic congestion. By working together this should be a smooth and safe transition for our Wildcats.

Sincerely,
