OUR FOOD AND NUTRITION PROGRAMS

The Clubhouse (Elementary Schools)

The Clubhouse makes nutrition fun for elementary students. Featuring healthy food choices and fun events where every student feels part of the club! Students will experience a variety of menu options complete with monthly nourish specials, learn about the importance of nutrition and wellness through monthly educate materials, and feel part of the club as they participate in the monthly entertain activities.

foodiE Cafe (Middle Schools)

foodiE is Sodexo's new middle school dining program. Today's middle schoolers understand food more so than ever before. Trending flavor profiles, convenient meals, sustainable alternatives and healthy options – *served fast* – are just a few expectations that top the list. foodiE creates a space where students can **enjoy**, **engage**, and **explore**. foodiE is not just about food. It's food that that....tastes good. feels good. does good.

Taste4 (High School)

Taste4 was created for high schools students by high school students. This concept revamps the classics - salads and wraps, deli sandwiches, pasta, grilled favorites, and pizza, elevating school lunch for today's sophisticated palettes. The menu features world flavors, spicy comfort foods and unique, fun food combinations.

Special Dietary Needs

We take our student's special dietary needs very seriously. Please contact the food services office to discuss your student's special needs.

Sodexo Foundation

Universal Free Reimbursable Breakfast and Lunch!

Dear Woodhaven-Brownstown School District Parents and Guardians,

We are so excited to share that the State of Michigan has included free breakfast and lunch for all students in the 2023-2024 School Aid Budget through the Michigan School Meals Program. This allows our families to save money while our students enjoy well-balanced nutritional meals each day.

We are still required to distribute and collect the state's 2023-2024 Household Application for Free and Reduced Breakfast/Lunch. In order for the district to offer free breakfast and lunch to all students, the completion of this form is requested for all families, regardless of household income. These applications allow our school district to get additional funding for things like Title 1 and At-Risk academic programming.

The application can be completed using a printed copy of the form or it can be completed online. Please note, all students are able to receive free breakfast and lunch regardless of family income.

Directions for both methods are listed below:

- Paper Application: An application can be picked up in the office at any of our school buildings, or can be downloaded and printed using the link below. Please complete one application per family and return to the office of your child's school. A completed application can also be emailed to barnesk@wbsdweb.com. A paper application can be downloaded here:
