September 11, 2020

Dear Woodhaven-Brownstown School District Families and Community,

As our first week of school comes to an end, I am pleased to report a successful return of students (both in-person and remote), teachers and staff. As we all get adjusted to this school year, I am grateful to all those who helped get us to where we are today. Please know, we are just getting started, and we know we will continue to find opportunities to improve our processes as the weeks go on.

We continue to be committed to the safety and well-being of our students, teachers and staff, and we will adapt and evolve as information changes and opportunities to improve become available. What we have learned since the onset of the pandemic is that we must all remain vigilant in our safety efforts. Only by continuing to work together will we be able to overcome the challenges COVID-19 presents. Thus, I urge everyone to continue following the safety measures implemented across our schools. Parents - I encourage you to have conversations with your children about continuing to do their part to stay safe and mindful.

Attached to this letter, you will find a weekly COVID-19 Report that will be updated every Friday afternoon on our website. This tool will ensure you are up to date on any developments related to COVID-19 in our district. Due to regulations, including the Health Insurance Portability and Accountability Act (HIPAA) and Family Educational Rights and Privacy Act (FERPA), no personal information will be included in this update.

If, and when, we receive notification of a positive case, we will connect with the county health department who traces, and directly contacts those in close contact of that person. This report is supplemental to that effort, and will be an additional tool to keep the community informed.

I encourage you to continue to share your feedback. We value your partnership in your child's education, and we know this work will require a community effort in order to be successful.

Above all else, the Woodhaven-Brownstown School District, its Board of Education, the members of the Woodhaven Administrators Association, Woodhaven-Brownstown

Education Association, Woodhaven Educational Support Personnel Association, the Woodhaven Instructional Paraprofessional Association, and each of our support organizations, ALL remain committed and unified in our singular purpose of providing ALL students, whether in-person or remote, with the best educational experience possible.

Sincerely,

Mark Greathead  
Superintendent  
Woodhaven-Brownstown School District
