

Expectations of Sportsmanship

It is through the generous support of our community that we are able to provide the young men and women competing here today with some of the best facilities in the State of Michigan.

As such, we expect that fans in attendance will enthusiastically support their team, recognize outstanding performance of opponents, and always exhibit good sportsmanship in words and actions.

Please show the opponent and game officials the utmost respect; without whom, there would be no game.

All fans are expected to refrain from the following:

- Derogatory comments and disrespectful words or actions directed at officials, student-athletes, coaches, team representatives, or other spectators;
- Negative cheers or comments targeting individuals;
- The use of profanity.

Failure to meet and abide by these Expectations of Sportsmanship will result in removal from the contest.
