You and your little learner are embarking on one of life’s many adventures, and we are thrilled to welcome you to the Woodhaven-Brownstown School District.

We offer safe, welcoming and joyful learning environments for all students where parents work hand-in-hand with our dedicated, highly-skilled teaching and support staff members. We look forward to welcoming your kindergarten learner to our district.

Throughout the years, our communities have continued to support our educational programs by passing several successful bond initiatives which has allowed us to become a destination district. Bond renovations are ongoing, and all eight schools will see major changes over the next seven plus years.

Begin your journey with the WBSD by enrolling online at mywbsd.org/ENROLL.

All students benefit from our one-to-one learning device initiative and our 21st Century classroom technology. We also offer specialized programs that meet all students’ interests and abilities.

We are relentlessly committed to our students’ continued academic growth and social emotional health and offer many programs that support our students’ needs.

The world is theirs ... the journey begins now! We can’t wait to see you in September!
