

COVID-19 DASHBOARD

“School Associated Cases”

The Woodhaven-Brownstown School District will share an updated COVID-19 Dashboard graphic each Friday afternoon. Due to regulations, including the Health Insurance Portability and Accountability Act (HIPAA) and Family Educational Rights and Privacy Act (FERPA), no personal information will be given.

When WBSD administrators receive notification of a positive case, they connect with the county health department who traces, and directly contacts those in close contact of that person. The WBSD will notify the school family of the case and the actions taking place.
