

Dear Parents,

Life can get complicated with the choices we face — so I'd like to help simplify one of them: where your students can get an excellent education.

Since 1994, Michigan residents have had the option to look beyond their neighborhood school and hometown school district for educational choices.

But your best choice may be right here — at Woodhaven High School.

An educator for the past 28 years, the last 13 as principal of WHS — I have seen many changes and challenges in public education.

Yet, not only have we met these challenges head on, we are one of the leading schools in our area because of it.

We offer multiple Advanced Placement courses, as well as unique courses like robotics and welding; we offer our students a school experience backed by first-rate technology. We have some of the best athletic facilities any school can offer, and our sports teams continue to compete for, and win, championships.

If your student isn't enrolled in our school, visit WHS and see for yourself what we can offer.

You can visit our website at: mywbsd.org/whs.

Or call me at 734.783.3333 to schedule a tour of our building.

I'll be glad to show you around.

Woodhaven High School

Woodhaven-Brownstown School District
Learning and Leading for Tomorrow

Engage • Enlighten • Empower

Who we are

Woodhaven High School is a 10th-12th grade educational facility dedicated to developing a community of independent and productive life-long learners.

Although we're a high school, we act like a smaller school, where our parents know our staff, our staff knows our students — and we work together to create a bright future for every individual.

Where we are

Woodhaven High School is located on Van Horn Road, just east of Telegraph — which makes it easily accessible throughout our community.

Nearly all our students receive district transportation services. Others are dropped off and picked up by their parents — or older students can drive themselves to and from our campus.

Building Programs

Woodhaven High School offers a number of building-wide programs, events, and activities designed to engage, motivate, and reward our students for their efforts. These include:

- Student Council
- National Honor Society
- State Champion Robotics Team
- Student Newspaper & Broadcasting
- Award winning Theatre, Choir & Quiz Bowl
- Educational field trips
- Unique music ensembles that include concert winds, symphonic band, jazz ensemble, marching band, percussion, and Woodhaven Elite

Our Staff

Woodhaven High School prides itself on the experience and caring nature of our instructional staff. Our teachers are all highly qualified and bring additional professional development experience to our classrooms.

Principal Matthew Czajkowski has worked in the Woodhaven-Brownstown School District for 28 years, serving as WHS principal since 2010. Previously, he taught in the district for 10 years before serving as principal of Erving Elementary School.

In addition to Mr. Czajkowski, the WHS administrative team includes assistant principals Jay Vesperman and Heather Fondaw and athletic director Bob Picano.

Matt and his staff make it their purpose to ensure that their students are successful — at WHS and beyond.

Our Students

Woodhaven High School students have consistently performed above the state average on the SAT and other standardized tests.

Our students also excel in classroom learning and the desire to succeed — while maintaining good citizenship and developing quality interpersonal skills.

To learn how we can prepare your student for a world of possibilities, contact us at 734.783.3333.

Our Parents

Woodhaven High School parents are the best, working one-on-one with our teachers and our various committees to stay involved in their child's educational experiences.

In addition, they play an important role in their students' progress throughout the year.

Academic Programs

Woodhaven High School offers a full day of classroom study aligned with state standards — with an emphasis on literacy and based on demanding, comprehensive curriculum that's focused on college/career readiness.

We also offer:

- Leading-edge technology
- One to one learning devices for all students
- Interactive white boards in all classrooms
- Project Based Learning Zone
- Early Middle College & Dual Enrollment
- Online programs for struggling students and credit recovery program
- Multiple opportunities for AP courses
- NCAA approved courses
- Online parent-student/classroom information

Our school also offers a variety of elective classes, as well as vocational classes through the Downriver Career Technical Consortium.

Finally, our students can participate in a wide variety of sports and extracurricular activities.

Our Services

Woodhaven High School provides a complete special education program for those who have specific learning disabilities or challenges.
