Dear Woodhaven-Brownstown School District Parents,

As promised, the following is an update to the communication provided earlier today.

The second case at WHS from Friday, October 23 (Student B: initial rapid test – positive, second rapid test – negative) has been determined to be negative via a comprehensive PCR test. Our dashboard at [www.mywbsd.org](http://www.mywbsd.org) has been updated to reflect this new information.

We have begun the process of notifying the impacted students/parents and will allow for the immediate resumption of their in-person education.

Thank you for your patience and support during these times. While we're very proud of the fact that we continue to have zero (0) instances of transmission within our schools, we strive every day to learn and improve in regards to the safety of everyone within the Woodhaven-Brownstown School District.

Sincerely,

Mark Greathead  
Superintendent  
Woodhaven-Brownstown School District
